

Testimonial of Venkatesh Joshi from Team Lead

I have had the privilege of working with Venkatesh Joshi, and his contributions to our team have been exemplary. His dedication, expertise, and ability to consistently deliver results make him a true asset to any organization.

I observed few good qualities in venkatesh that,

- **Managing people**, he knows how to talk to operators to get work and how to talk to colleagues to maintain healthy relationships across depts and how to present to management and convince them.
- **Discipline**, personal discipline in terms of good behaviour he was best in that and work discipline, out of 8 hrs min 6 hrs quality work we need give to company which he used to give.
- **Interest to learn**, to perform better one need to learn, he was good and learning the work.

Venkatesh's collaborative approach and problem-solving skills have been instrumental in achieving our goals. I wholeheartedly endorse his capabilities and commend him for his outstanding professionalism. I am confident that his qualities will enable him to excel in all future roles and endeavours.
